

A New World of Learning...

ORANGE ANGLICAN GRAMMAR SCHOOL

Dear Parents and Caregivers,

Re: Netball Skill Sessions 2019

The 2019 Netball season at Orange Anglican Grammar will kick off with skill sessions for all athletes interested in playing netball; social and competitive.

The netball season will commence in week 3, 4 and 5. Starting with skills sessions that will allow Miss Abby Tilburg to see your child's skills, knowledge and game play. These sessions will help determine which netball team your child will be placed into for the 2019 netball season; these skill sessions are highly recommended.

Please make sure that every individual athlete has completed an athlete nomination form; this form is located on the Orange Anglican Grammar Netball Website

Venue: Undercover Netball Courts

Time: Please see time slots below
